

OUTPATIENT LABORATORY SERVICES

Tallahassee Memorial Outpatient Laboratory Services are available 7 days a week. Outpatients may be directed as described below and during the times listed, for service.

Laboratory orders may be telephoned or faxed to the Laboratory, or the patient may be given written orders for presentation upon arrival.

(1) TMH CENTRAL REGISTRATION – HOSPITAL ATRIUM

Monday - Friday: 8:00 a.m. – 5:00 pm

(2) MAIN LABORATORY

All outpatients needing blood collection services when Central Registration is closed should be directed to the TMH Main Laboratory. (First floor, north wing, main building)
