1 PURPOSE

1.1 This policy describes the calculation of the Expiration Date.

2 REVISIONS FROM PREVIOUS VERSION

2.1 None

2.2 Revision of expiration calculation to align with Cayuse transition. 16JUN2023

3 POLICY

3.1 The following research has no Expiration Date:

3.1.1 Exempt research

3.2 For all other research:

3.2.1 The Approved Date is the date the convened IRB or Designated Reviewer made the determination to approve the research.

3.2.2 The Approval Period is the period of approval granted by the convened IRB or Designated Review (e.g., 1 year, 6 months, 3 months).

3.2.3 For initial and continuing reviews, the Expiration Date is the Approved Date plus the Approval Period minus one day.

3.2.3.1 For example, if the research was approved for one year with an Approved Date of April 15, 2020, the Expiration Date is 11:59pm on April 14, 2021.

3.2.4 For modifications and submissions of new information the Expiration Date is unchanged.
